Re: Following up to my Fax to You of 12/4/09 demonstrating full payment of my Maintenance Fee (\$555.-) on My Patent # 6,974,325, and, Your Apparent Confusion on Official USPTO web site, with Exception of Incorrect Address and Phone.

Dear Madam or Sir:

On 12/4/09, I faxed to you fax number (571) 273-6500, proof of my USPS Money order payments (\$105 of 10/3/09, \$450 of 11/1/09, \$105 of 12/1/09 and \$105 of 12/7/09) for my Maintenance Fee (\$555) due on my Patent # 6,974,325.

On 12/5/09, I checked the official USPTO web site, Patent Maintenance Fees (Patent Number 6974325), 12/05/09 07:44 PM EST, and found that You appear to have credited my payment. It states: "Currently there are no fees due". "Window opens: 12/13/2012". However, under "Customer Number: 000000" "Street Address: David Andrew D'Zmura" "City: Indio" "State: CA"

"Zip Code: 922010621" "Phone Number: (760) 200-2581", these are mistakes. Please rectify immediately. My Name is David Andrew D'Zmura.

I am a pro se Independent Inventor (small entity). My current address is P.O. Box 1845 Barrejo Springs CA 92004-1845. I have no telephone number. My correct is other information - I used to have

P.O. Box 621 Indio CA 92201-0621 until 2/2009 when USPS Indio abruptly closed it (as I <sup>(without my permission)</sup> moved out of town to Barrejo Springs).

The telephone number listed is not mine, and I cannot be reached there. Thank you very much for accepting my payment(s), and, if you would please note these corrections to my address and telephone.

Also, I am very low income. I have many Divisional Groups of my main invention treaties, "Methods for Determining Zodiac Signs" and "Invention in Finance", which, due to obstruction, injury, Theft, Loss, and Poverty, I have been as yet not able to pay fees for filing, Search, examination, issuance and publication. Also, same for my 11/07 Provisional "Energy of Financial Instruments". Also, I have new, further, inventions these past years, of national security nature, which I need to file or get to right channel, "Free Energy" and "Energy Invention", as well as modest helpful ones, "Processes to Saving Life on Earth". Please provide me confirm on which USPS Money orders you cashed. Please advise me how I can pursue my Divisional and Provisional, and any Ribbon Copies of all my Patents (wondered and stolen/lost). Also, channel and any finance for my Energy works and Life Saving.

Sincerely,

David Andrew D'Zmura, Dal Indio, pro se Independent Inventor
